

Pharmaceutical Pricing Authority (NPPA) has been constituted as an attached office of the D/o Chemicals & Petrochemicals vide Resolution dated the 29th August, 1997 with the task of price fixation / revision and other related matters such as updating list of drugs under price control by inclusion and exclusion on the basis of the established criteria/ guidelines.

The 74 bulk drugs specified in the First Schedule of the Drugs (Prices Control) Order, 1995 (DPCO, 95) and the formulations based thereon are under price control and their prices are fixed / revised by the National Pharmaceutical Pricing Authority (NPPA) in accordance with the provisions of the DPCO, 95. These drugs have been kept under price control on the basis of criteria mentioned in 'Modifications in Drug Policy, 1986', announced in September, 1994.

The Drugs (Prices Control) Order, 1995 does not distinguish between life saving and other drugs. There are no specific norms or guidelines to determine as to which drug can be classified as life saving drugs. Every drug in general is considered useful in saving and prolonging of life.
